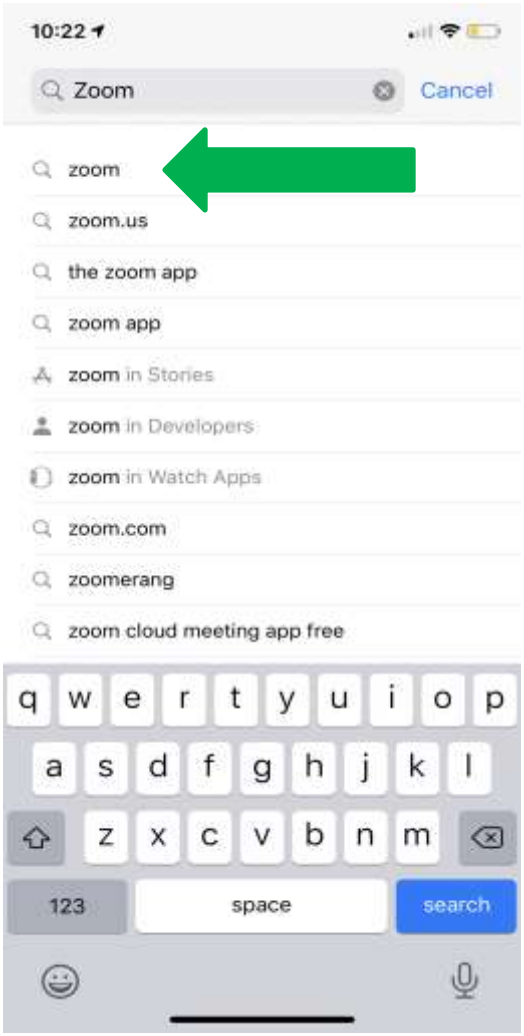
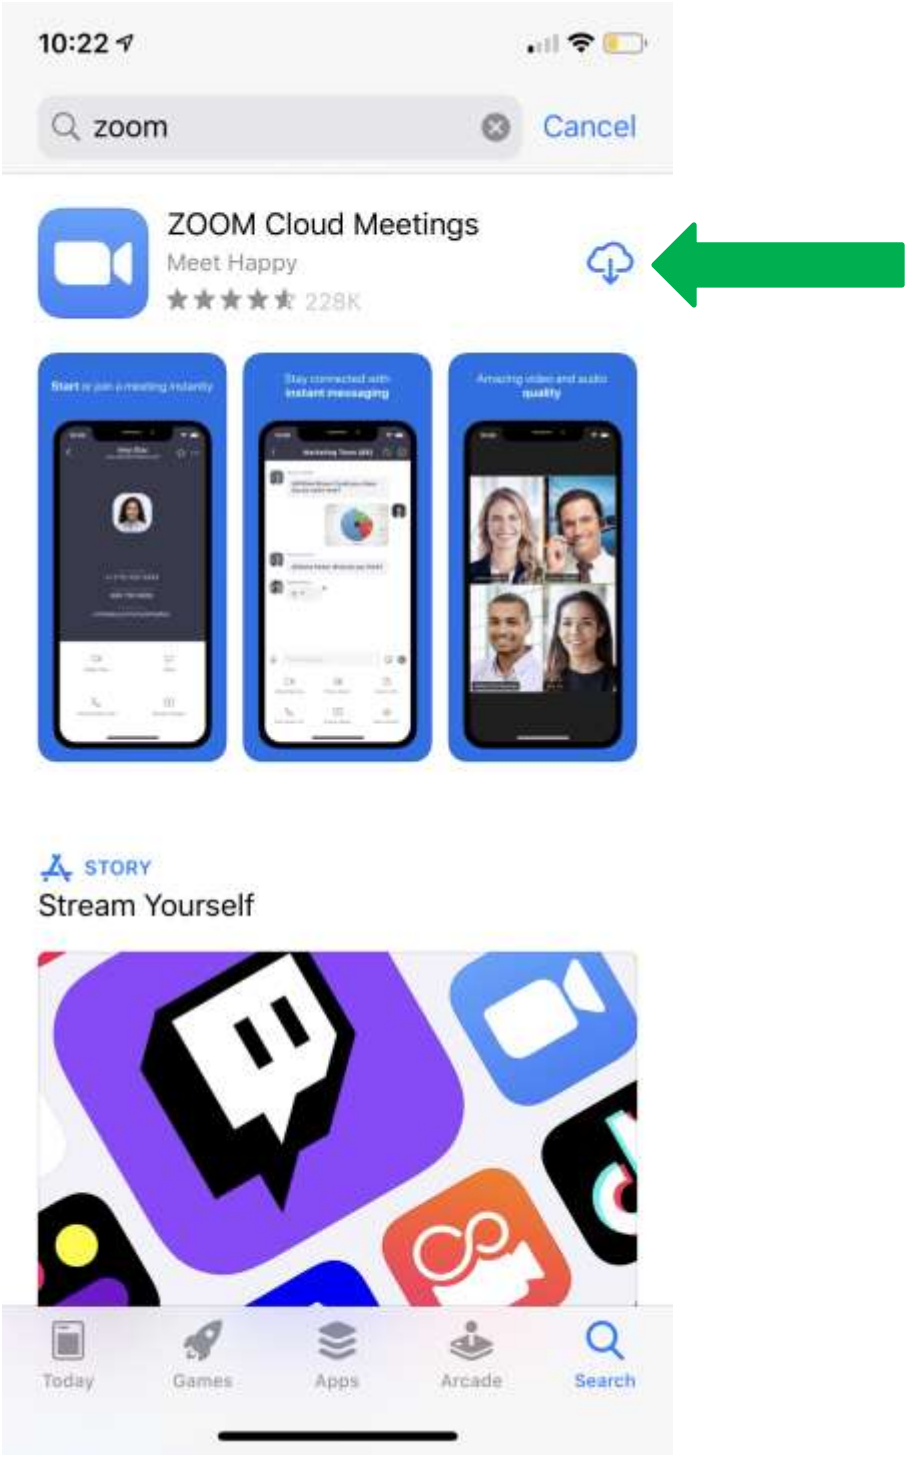
ZOOM download instructions for iPhone

Step 1. Open your App Store

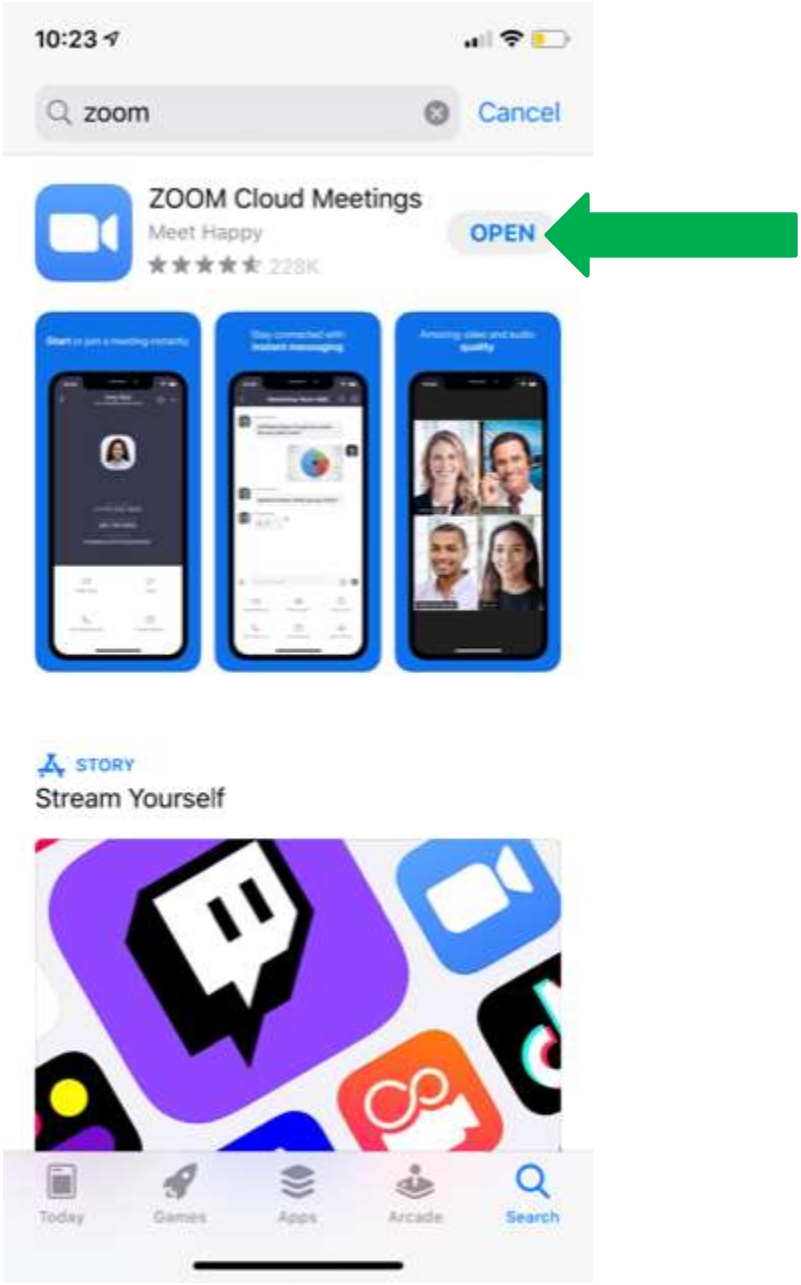
Step 2. Type “Zoom” into the search bar and click the first option.



Step 3. Click the Cloud icon next to ZOOM Cloud Meetings to initiate downloading the icon.

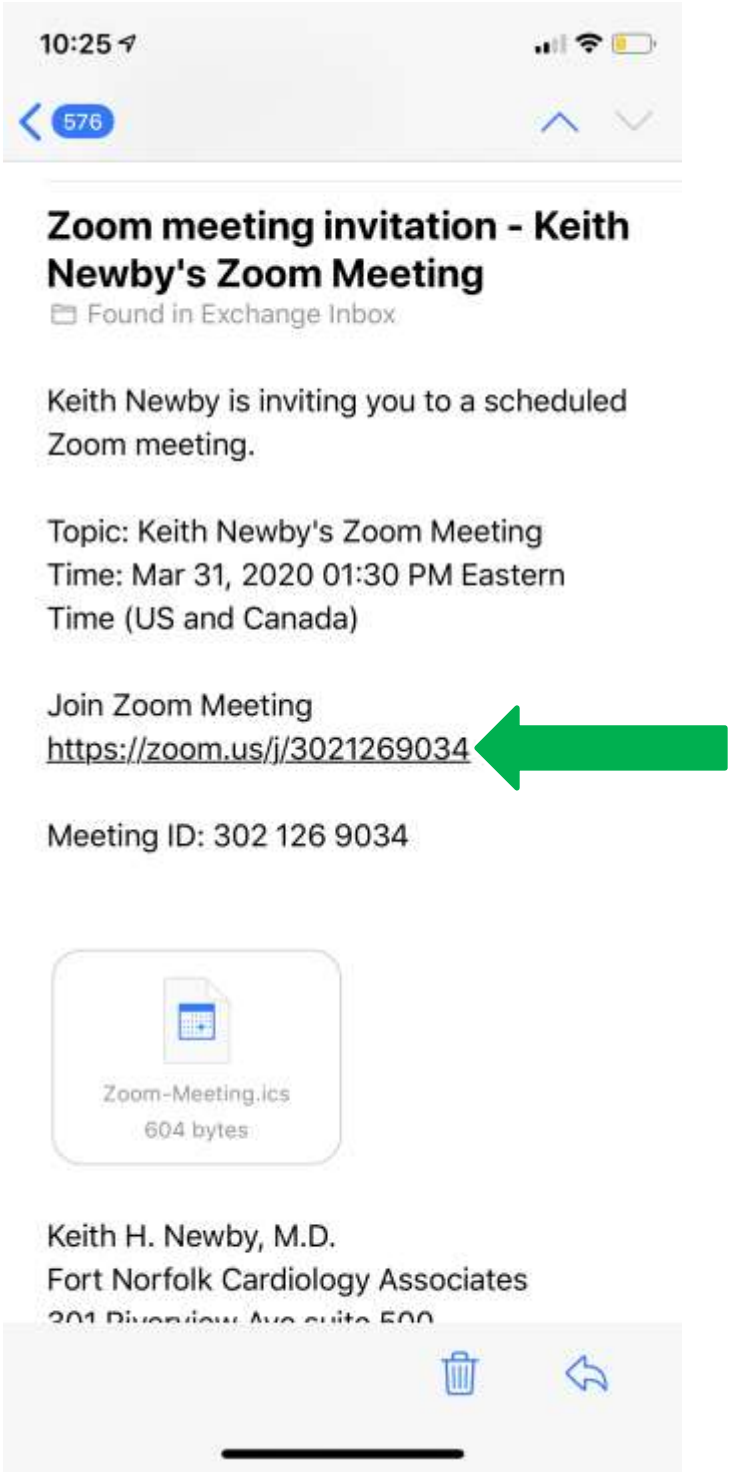


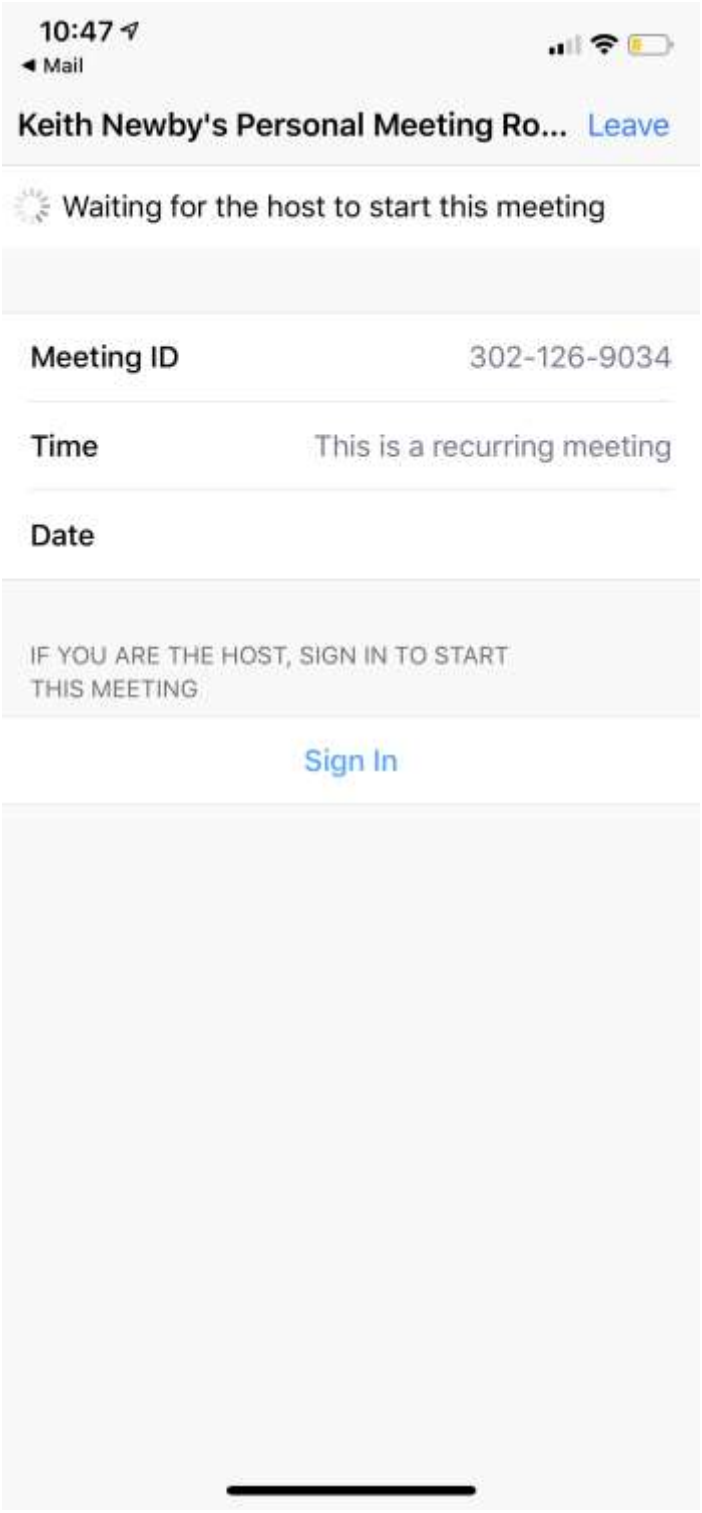
Step 4. Once the app has been downloaded, Click “OPEN”



Step 5. The following screen will appear. Congratulations! You have successfully downloaded the ZOOM app. No further action is required after the app is downloaded until your Telehealth visit.

Step 6. A staff member will call you approximately 5 minutes prior to your scheduled visit to ensure you have received you Zoom meeting invitation via email from your provider. Please ensure staff has the correct email address for you on file. When you receive the email, click on the link.





Step 7. Once you click on the link, the following screen will appear. Wait until the provider gets on the line and the video will begin.
